Welcome Note

Peace to you, Dear QTEC family and friends. Welcome to the Pennsylvanian campus that is decorated with green grass and blue sky, and gifted with cool breeze and bright moon. We are here to experience a different kind of weekend with old and new friends around.

Your reason to come to our retreat may vary, from having a relaxed getaway to seeking a new horizon for personal life, from enjoying the countryside atmosphere to searching for meaningful and lasting relationship, or for a purpose that is worth your lifelong commitment, etc. Whatever that may be, let me offer you a blessing from above at the very outset: 'Blessed are your eyes, for they see, and your ears, for they hear. For truly, I say to you, many prophets and righteous people longed to see what you see, and did not see it, and to hear what you hear, and did not hear it.' (The Gospel of Matthew 13:16-17)

I am sure you will find yourself walking in the sweet-sounding melodies, or wonder at the Gospel truth of Christ Jesus whose life has made the epoch of human history. I hope you will also soak yourself in the enriched messages that are soul-inspiring, mind-challenging and life-transforming; and in the fellowship that is endowed with open and free sharing. So that you will walk out as a different person when the retreat brings to a close.

Pastor Johnson Yu, Senior Pastor of QTEC

Key Verse:

“We no longer believe just because of what you said; now we have heard for ourselves, and we know that this man really is the Savior of the world.”

John 4:42b

Speaker Bio: Pastor John H. Lee

Pastor John H. Lee was born and raised in New York City and has fostered a heart for the Tristate region throughout the years. After serving in various youth and college ministries for 10 years, the Lord called him and his family in 2017 to plant Convergence Church. He has been married to Dahee Lee for the past 6 years, and they have two beautiful children, Haven (2 years old) and Brighton (6 months old.) Together, they strive to be a family on mission, conveying the Father's heart and following all that God has called them to do in order to impact the region. Pastor John is an avid foodie and loves to cook in his spare time (which is rare.) He is also a huge Yankees fan and enjoys comic-based movies. He is a graduate of Westminster Theological Seminary and was ordained in the Presbyterian Church.

Be thou my vision

Be thou my vision, O Lord of my heart,
naught be all else to me, save that thou art;
Thou my best thought by day or by night,
Waking or sleeping, thy presence my light.

Be thou my wisdom, thou my true word,
I ever with thee and thou with me Lord;
Thou my great Father, I thy true son;
Thou in me dwelling, and I with thee one.

Riches I heed not, nor man's empty praise:
Thou mine inheritance now and always;
Thou and thou only first in my heart;
High King of Heaven, my treasure thou art.

High King of heaven, my victory won,
May I reach heaven's joys, O Bright
Heaven's sun!
Heart of my own heart, whatever befall,
Still be my vision, O Ruler of all.

To Live is Christ

Before You gave us life and breath
You numbered all our days
You set Your gracious love on us
And chose us to be saved
This fleeting life is passing by
With all its joys and pain
But we believe to live is Christ
And death is gain

To live is Christ, to die is gain
In every age this truth remains
We will not fear, we're unashamed
To live is Christ, to die is gain
To live is Christ, to die is gain

And though we grieve for those we love
Who fall asleep in Christ
We know they'll see the Savior's face
And gaze into His eyes
So now we grieve, yet we don't grieve
As those who have no hope
For just as Jesus rose again
He'll raise His own

And now we're longing for the day
We'll see the Lamb once slain
Who saved a countless multitude
To glorify His name
We're yearning for the wedding feast
Of Jesus and His bride
His nail-scarred hands will finally
Bring us to His side

All I have is Christ

I once was lost in darkest night
Yet thought I knew the way
The sin that promised joy and life
Had led me to the grave
I had no hope that You would own
A rebel to Your will
And if You had not loved me first
I would refuse You still

But as I ran my hell-bound race
Indifferent to the cost
You looked upon my helpless state
And led me to the cross
And I beheld God's love displayed
You suffered in my place
You bore the wrath reserved for me
Now all I know is grace

Hallelujah! All I have is Christ
Hallelujah! Jesus is my life

Now, Lord, I would be Yours alone
And live so all might see
The strength to follow Your commands
Could never come from me
O Father, use my ransomed life
In any way You choose
And let my song forever be
My only boast is You

Come People of the Risen King

Come, people of the risen king,
Who delight to bring Him praise.
Come, all and tune your hearts to sing
To the Morning Star of grace.
From the shifting shadows of the earth
We will lift our eyes to Him,
Where steady arms of mercy reach
To gather children in.

Rejoice! Rejoice! Let every tongue rejoice!
One heart, one voice, O Church of Christ, rejoice!

Come, those whose joy is morning sun
And those weeping through the night.
Come, those who tell of battles won,
And those struggling in the fight.
For His perfect love will never change,
And His mercies never cease,
But follow us through all our days
With the certain hope of peace.

Come, young and old from every land,
Men and women of the faith.
Come, those with full or empty hands,
Find the riches of His grace.
Over all the world, His people sing,
Shore to shore we hear them call
The Truth that cries through every age;
'Our God is all in all'.

Take My Life

Take my life and let it be
Consecrated, Lord, to Thee
Take my moments and my
days
Let them flow in ceaseless
praise
Take my hands and let
them move
At the impulse of Thy love
Take my feet and let them
be swift and beautiful for
Thee

Take my voice and let me
sing always, only, for my
King

Take my lips and let them
be filled with messages
from Thee

Take my silver and my
gold, not a mite would I
withhold

Take my intellect and use
every power as You choose

Here am I, (here I am)
All of me, (all of me)
Take my life, (take my life)
It's all for Thee, (it's all for
Thee)

Take my will and make it
Thine

It shall be no longer mine
Take my heart, it is Thine
own
It shall be Thy royal throne
Take my love, my Lord
I pour at Your feet its
treasure store
Take my self and I will be
ever, only, all for Thee
Take my self and I will be
ever, only, all for Thee

Here am I, (here I am)
All of me, (all of me)
Take my life, (take my life)
It's all for Thee, (it's all for
Thee)

Here am I, (here I am)
All of me, (all of me)
Take my life, (take my life)
It's all for Thee, (it's all for
Thee)

Here am I, (here I am)
All of me, (all of me)
Take my life, (take my life)
It's all for Thee, (it's all for
Thee)

Take my life
Here am I
Take my life
Lord, take my life

Lord
Take all

Take all
Take all of me, oh

Here am I, here I am
All of me, all of me
Take my life, take my life
It's all for Thee, it's all for
Thee

It's all you now - spoken
Here am I
All of me
Take my life
It's all for Thee

Take my life
It's all for thee
Take my life
It's all for thee
Here am I
All of me
Take my life
It's all for Thee

Take my life
It's all for thee
Take my life
It's all for thee
Here am I
All of me
Take my life
It's all for Thee

Take my life and let it be
Consecrated, Lord, to Thee

New Wine

In the crushing
In the pressing
You are making new wine
In the soil I now surrender
You are breaking new ground

So I yield to You and to Your careful hand
When I trust You I don't need to understand

Make me Your vessel
Make me an offering
Make me whatever You want me to be
I came here with nothing
But all You have given me
Jesus bring new wine out of me

In the crushing
In the pressing
You are making new wine
In the soil I now surrender
You are breaking new ground

You are breaking new ground

Where there is new wine
There is new power
There is new freedom
The Kingdom is here
I lay down my old flames
To carry Your new fire today

One Desire

You gave it all for me
My soul desire
My everything
And all I am is devoted to You

How could I fail to see
You are the love that rescued me
And all I am is devoted to You

And oh how could I not be moved
Lord here with You
So have Your way in me
'Cause Lord there is just one thing
And that I will seek

This is my cry
My one desire
Just to be where You are Lord
Now and forever
It's more than a song
My one desire
Is to be with You
Is to be with You

Jesus

The one thing
The one thing I ask
Is to be with You
The one thing
The one thing I ask
Is to be with You

Here Again

Can't go back to the beginning
Can't control what tomorrow will bring
But I know here in the middle
Is the place where you promise to be

I'm not enough unless you come
Will you meet me here again
Cause all I want is all you are
Will you meet me here again
I'm not enough unless you come
Will you meet me here again
Cause all I want is all you are
Will you meet me here again

As I walk now through the valley
Let your love rise above every fear
Like the sun shaping the shadow
In my weakness your glory appears

I'm not enough unless you come
Will you meet me here again
Cause all I want is all you are
Will you meet me here again

Not for a minute
Was I forsaken
The Lord is in this place
The Lord is in this place

Come Holy Spirit
Dry bones awaken
The Lord is in this place
The Lord is in this place

No Other Fount

Nothing can for sin atone
Hope is found in You alone
Sin and death are overcome
Only by Your precious blood

Nothing good that I have done
No praise of mine could be enough
All my striving ends in vain
My righteousness found in Your name

Only Your blood has the power
There is no other, no other fount I know
Jesus, Your love made a way
No other fount I know can save!

For my pardon this I see
The Lamb of God my victory
Hell defeated by Your love
It is finished, You have won!

Only Your blood has the power
There is no other, no other fount I know
Jesus, Your love made a way

No other fount I know can save!

Oh, precious is the flow
Oh, it washes white as snow
No other fount I know
Nothing but Your blood
Nothing but Your blood
Oh, precious is the flow
Oh, it washes white as snow
No other fount I know
Nothing but Your blood
Nothing but Your blood!

Only Your blood has the power
There is no other, no other fount I know
Jesus, Your love made a way
No other fount I know can save
No other fount I know can save!
No other fount I know can save!

Now by this I'll reach my home
Held secure before Your throne
This is all my hope and peace
The Son of God poured out for me

Trading my Sorrows

I'm trading my sorrows, and I'm trading my shame
And I'm laying it down for the joy of the Lord
And I'm trading my sickness, and I'm trading my pain
I'm laying it, laying it, laying it down for the joy of the Lord

I'm trading my sorrows, I'm trading my shame
I'm laying it down for the joy of the Lord
I'm trading my sickness, I'm trading my pain
I'm laying it down for the joy of the Lord

Yes Lord, yes Lord, yes, yes Lord
Yes Lord, yes Lord, yes, yes Lord
Yes Lord, yes Lord, yes, yes Lord, Amen

I am pressed but not crushed
Persecuted, not abandoned
Struck down but not destroyed
And I am blessed beyond the curse
For His promise will endure
That His joy is going to be my strength
Though my sorrows may last for the night
His joy comes with the morning!

I'm trading my sorrows, I'm trading my shame
I'm laying it down for the joy of the Lord
I'm trading my sickness, I'm trading my pain
I'm laying it down for the joy of the Lord

Set a Fire

So set a fire down in my soul
That I can't contain and I can't control
I want more of You, God
I want more of You, God

No place I would rather be
Than here in Your Love!
Here in Your Love!

No place I would rather be
Than here in Your Love!
Here in Your Love!

So set a fire down in my soul
That I can't contain and I can't control
I want more of You, God
I want more of You, God
So set a fire down in my soul
That I can't contain and I can't control
I want more of You, God

I Give Myself Away

I give myself away
I give myself away
So You can use me
I give myself away
I give myself away
So You can use me

Here I am
Here I stand
Lord, my life is in your hands
Lord, I'm longing to see
Your desires revealed in me

I give myself away
I give myself away
So You can use me
I give myself away
I give myself away
So You can use me

Take my heart
Take my life
As a living sacrifice
All my dreams all my plans
Lord I place them in your hands

I give myself away
I give myself away
So You can use me

My life is not my own
To you I belong
I give myself, I give myself to you

Build My Life

Worthy of every song we could ever sing
Worthy of all the praise we could ever bring
Worthy of every breath we could ever breathe
We live for You

Jesus, the Name above every other name
Jesus, the only One who could ever save
Worthy of every breath we could ever breathe
We live for You
Oh, we live for You

Holy, there is no one like You
There is none beside You
Open up my eyes in wonder
And show me who You are
And fill me with Your heart
And lead me in Your love to those around me

And I will build my life upon Your love
It is a firm foundation
And I will put my trust in You alone
And I will not be shaken
I will build my life upon Your love
It is a firm foundation
And I will put my trust in You alone
And I will not be shaken

No Longer Slaves

You unravel me with a melody
You surround me with a song
Of deliverance from my enemies
'Til all my fears are gone

I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear
I am a child of God

From my mother's womb
You have chosen me
Love has called my name
I've been born again to a family
Your blood flows through my veins

I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear
I am a child of God

I am surrounded

By the arms of the Father
I am surrounded
By songs of deliverance

We've been liberated
From our bondage
We're the sons and the daughters
Let us sing our freedom

You split the sea
So I could walk right through it
My fears are drowned in perfect love
You rescued me
And I will stand and sing
I am a child of God.

Yes, I am
I am a child of God

I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear
I am a child of God
